

Robert Robuck for Pima County Supervisor, District #2

Vote for Robert on Tuesday, September 2, 2008 in the Democratic Party Primary Election

Water Supply:

Reliable and renewable water resources are the life blood of our communities in Pima County and must be effectively managed for our future needs.

Environmental Protection/Sustainable Growth:

There must be a balance between new development and our unique desert environment. I support the Sonoran Desert Conservation Plan and sustainable "Smart Growth" planning for future economic development.

Election Integrity:

The voters trust in Pima County elections must be restored by making sure that every vote is counted and counted accurately, and restoring transparency and accountability to the elections process.

Alternative Energy:

I will support the development of new energy-saving technologies and solar energy codes for new home and business development.
